SHE GAVE UP ALL HOPE

Physicians Failed To Help Mrs. Green, But She Finally Found Relief in Cardui.

Meete, Va.—Mrs. J. C. Green of this place, says: "I suffered with womanly troubles so that I could hardly sit up. Two of the best doctors in our town treated me, and I tried different medicines, until I gave up all hope of ever getting well."

One day, I decided to try some Cardui. It did a much better job for me than I had hoped for. Today, I feel as well as I ever did in my life."

The pains and the trouble are all gone. I feel like another person in every way. I wish every sufferer could know what Cardui will do for sick women."

A few doses of Cardui at the right time, will save many a big doctor bill, by preventing serious sickness. It tones up the nervous system, and helps make pale cheeks fresh and rosy. Thousands of weak women have been restored to health and happiness by using Cardui. Suppose you try it. It may be just the medicine you need."

WOMEN TERRORIZE UNTIDY TRADESMEN

A brave band of millionaires' wives in New York have started out to make food cheaper and cleaner. They belong to the Progressive Economic club, and prove their sincerity in the cause by getting out of bed at 4 or 5 in the morning, bundling into automobiles and touring the big markets, where they are becoming a terror to unscrupulous and untidy tradesmen. Among the Progressive Economic enthusiasts are Mrs. William Grant Brown, Mrs. Lewis Nixon, whom her friends characterize as a "suffragist of the persuasive sort," Mrs. George Baskowitz, who with Dr. Baskowitz founded and supported for several years the Manhattan Visiting Nurses' Association, and Mrs. George Kerr, one of the founders of the club.
